

# PhD Seminar - Autumn Semester 2020

**Vinicius Azevedo**

CGL ETH Zurich (CNB G 102.2)

[vinicius.azevedo@inf.ethz.ch](mailto:vinicius.azevedo@inf.ethz.ch)

**ETH** zürich

**cgl** computer graphics laboratory

# Objectives & Requirements

## Objectives

- **Present** and **discuss** current **research** being done at **IVC + DRZ**
- **Strengthen** expertise on the field
- **Provide** a **platform** for **collaboration** across widely different topics researched at IVC + DRZ
- **Practice** scientific **presentations**

## Requirements

- **PhD students** must **present** their **research once in a year**
- Have **75% presence rate**
- Try to give **feedback** to **other PhD students**, specially if the research is related to your own
- Try to **put effort** on your **presentations**

# PhD Seminar Format

- **First sessions:** post-doc/senior PhDs and researchers present their research and current projects first
  - Check CGL website for list and talk titles
- Your **presentation topic** could be:
  - **Current** project;
  - **Previous** research;
  - **Present** a paper/algorithm/method
- **Presentations** will be **30 minutes** + questions
  - **One PhD student per session**
  - I will send an **e-mail** for **divulcation** to **IVC + CGL**
  - Send **abstract** and **title one week before** your presentation

# Tentative Schedule

## Senior Researchers Presentations

- 18/09: Today – **Intro Talk**
- **25/09: TBA**
- **02/10: TBA**

## PhD Students Presentations

- 09/10: Mihai
- 16/10: Songyou
- 23/10: Despoina
- 30/10: Paul
- 06/11: Marcel
- 13/11: No talk – CVPR
- 20/11: Victor
- 27/11: Evangelos
- 04/12: Xianyao
- 11/12: Menelaos
- 18/12: Remi

**Feedbacks & Questions?**
